

## **President Luo Tao Attended the Reception Held by Vice-president of Zambia Guy Scott**

Source : CNMC

On March 12, 2012 in Zambia, visiting President of CNMC Mr. Luo Tao attended the reception held by Vice-president of Zambia Dr. Guy Scott. Ambassador of China to Zambia Zhou Yuxiao, Commercial counselor Chai Zhijing, Vice president of CNMC Tao Xinghu, Director of advisory committee Zou Qiao, together with Minister of Labor, General Secretary of PF Party, Minister of Mining and Mineral Development, and Provincial Minister of Copper Belt also attended the reception.

Mr. Luo Tao expressed appreciation to Dr. Guy Scott, and recalled Vice-president's last visit to CNMC headquarters in Beijing. He said that CNMC will further improve management and expand investment in Zambia.

Vice-President Scott ran back over his visit to Chambishi Copper Mine and pointed out that Chambishi Copper Mine has been operating very well. He has got a direct and updated picture of CNMC's investment and development in Zambia. Zambian government will give full support to the development of CNMC, facilitate procedures and assist Chinese investors in setting businesses in Zambia, hence promote the health and fast development of Zambia with the benefit of economic soar of China.

The Ambassador of China to Zambia Zhou Yuxiao also expressed his thanks to Zambian government for providing a platform to Chinese enterprises. Embassy of China in Zambia will also work with Zambian government, and support CNMC's development in Zambia and achieve mutual benefit.

In the reception, Vice-president Guy Scott and Mr. Luo Tao also received interview from Denmark express. Dr. Guy Scott believed that Chinese enterprises have made remarkable contribution to the development of local economy and society by creating jobs and taxes.
