

CNMCL Chair of the Board Luo Tao Meeting with Governor of Katanga Province of the Congo

On the morning of April 25, 2013 local time, CNMCL chair of the board Luo Tao, who was on an investigating tour to the Congo, met in Reuben Brazil City with Moyiz Katongbi, governor of Katanga Province. Present at the meeting were CNMCL vice chair of the board and CEO Tao Xinghu and head of the Mining Department of Katanga Province.

During the meeting, Chairman Luo Tao first reviewed CNMCL's investment and development in the middle and south of Africa and then introduced in details the latest progress of CNMCL's two projects in the Congo: CNMC Huaxin Leach Smelter Co., Ltd. and CNMC Huaxin Mining Co., Ltd. He thanked governor Katongbi for his support and help to CNMCL's investment in the Congo, especially in Katanga Province. He hopes that Katanga Provincial Government gives greater attention and support to CNMCL's investment in the Congo, and presents more high-quality resources for cooperation with CNMCL. He

invites governor Katongbi to visit CNMC and its enterprises in Zambia whenever it is to the governor's convenience.

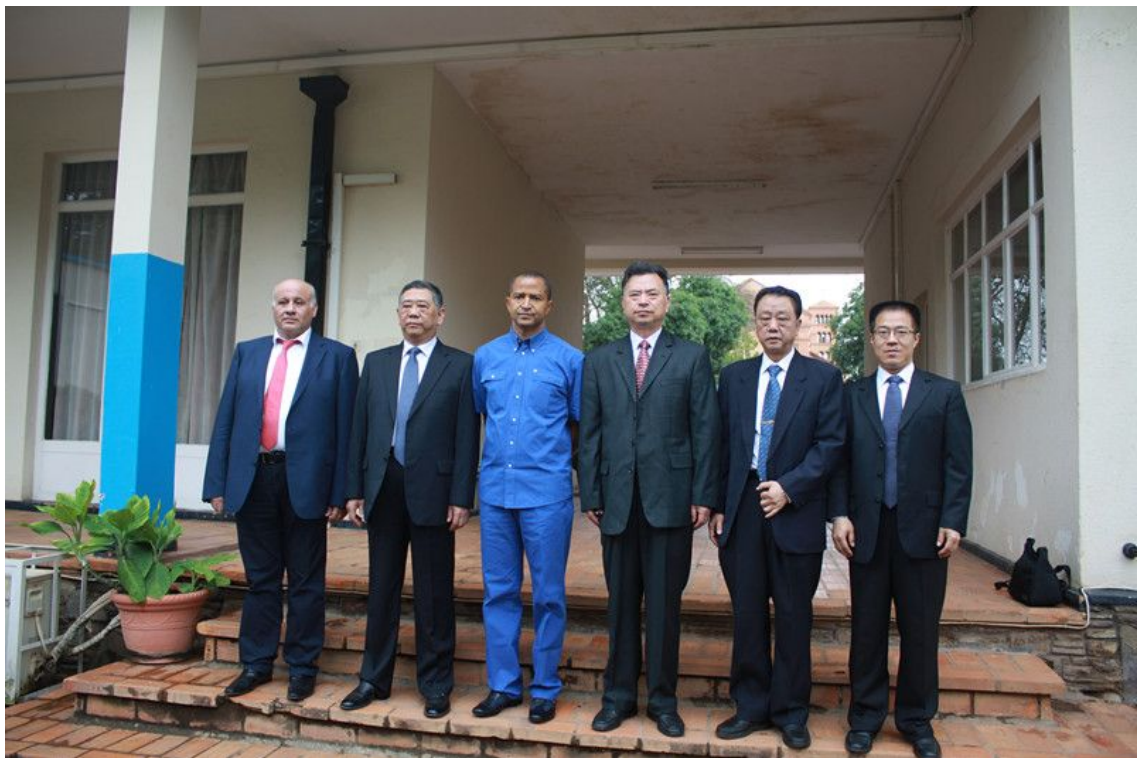

Governor Katongbi welcomed Chairman Luo Tao and his party. He highly valued the contribution made by CNMCL's investment in the Congo to local society. He then introduced the nonferrous metal mineral resources of Katanga Province. He hopes that CNMCL enlarges its investment in the Congo. He also said that the province would present more high-quality resources for cooperation with CNMCL. Meanwhile, he promised full efforts to solve any problem that might face CNMCL during its investment in Katanga Province and to build a good investment environment for CNMCL.

After the meeting, Chairman Luo Tao received an interview by local media at Katanga Provincial Government.

Chiefs of enterprises of CNMCL were present at the meeting.
