

President of Zambia Michael Sata Met with President of CNMC Mr. Luo Tao

Source : CNMC

On March 14, 2012 President of CNMC Mr. Luo Tao, accompanied by Vice-president of CNMC Tao Xinghu, paid visit to President of Zambia Michael Sata. The two sides exchanged ideas on both concerned issues.

During the meeting, Mr. Luo Tao congratulated President Sata on his success in presidential election, and expressed thanks for his support and kind care to subsidiaries of CNMC in Zambia. He said that CNMC will support the government led by President Sata as always, and further expand investment in Zambia, create more job opportunities, and strictly carry out social responsibility. President Sata appreciated every effort of CNMC, and assured that Zambian government will create most favorable investment atmosphere for CNMC and other foreign enterprises hence create more job positions for Zambian people and promote economic development and social prosperity of Zambia.

President Sata extended his warm welcome to all members of CNMC delegation and emphasized that investment and development of CNMC has promoted communication and cooperation between China and Zambia. People of China and Zambia have both benefited from it. He hoped that CNMC could introduce more Chinese investors to Zambia to invest in mineral development, agriculture, and textile industry. Mr. Luo Tao also reported the

latest news of progress and investment plan to President Sata, and assured that CNMC will live up its commitment to Zambian government and people, further increase investment in Zambia and operate in line with Laws and Regulations in Zambia.

Vice-president of Zambia Dr. Guy Scott, Provincial Minister of East Province of Zambia and other government officials of Zambia, and General Manager of ZCCZ, General Manager of 15 MCC also attended the meeting.
